## Chapter 1 by Numrek

Their will soon only two types of people left in the world he thought to himself. The dead and the soon to be dead. The world will be like this because of one thing, me.

Laughter echoed throughout the hallways of area 51.

## Chapter 2 by SaintSayaka

Contrary to popular belief, God is a spiteful bastard.

He doesn't answer prayers because he is too busy ignoring them, locked in his laboratory day in and day out. He could easily work through an ice age if it so occurred without his meddling. With all elements easily at hand, he labors creating strains of awful aches, pains, and boils, to name the tamest, all to inflict his terrible creations with.

And this one is really going to take the cake.
